Subject: Transmittal of HW Codes for Dimock residents who gave permission.

Steve,

As directed, I am attaching a pdf file of HW codes for those residents who gave EPA permission, so PADEP could evaluate EPA data. Please be aware that for HW8a and HW19, we included the address because those owners own more than one property involved in this site. This makes it clear regarding the address where EPA is releasing the HW code.

Please let me know if you need additional information.

Rich
